

Messe Düsseldorf confirms new date: Metallurgy Russia and Litmash Russia to be held live in Moscow, June 07-09, 2022

After the metal trade fair quartet was successfully held at the at the EXPOCENTRE exhibition center from June 8 to 10, 2021, the metallurgy and foundry industry is now looking forward to get together again in Moscow. From June 07 to 09, 2022, the Metallurgy Russia and Litmash Russia trade fairs will concurrently present their technologies for the entire metal spectrum and offer a platform for live encounters and discussions.

Gerrit Nawracala, Project Director Metallurgy & Foundry Technologies: "The industries need their main communication platforms to present their innovations and meet their business partners. This was clearly demonstrated by the success of wire Russia, Tube Russia, Metallurgy Russia and Litmash Russia this year. Exhibitors and visitors from the fields of metallurgical technology, metal products, foundry technology, accessories and castings confirmed to us that they would like to meet again next year for personal exchanges in Moscow. Therefore, we are pleased to send a positive signal for the iron, steel and metal industry with the new exhibition date."

Despite difficult travel conditions, around 200 companies from 11 countries took part in the top Russian events for the industries in

June. In addition to regional companies, exhibitors from Germany, Italy and Turkey were also strongly represented.

On display were machines, plants, equipment and solutions for the casting and processing industries as well as for metallurgical processes, machines and plants for wire production and wire processing, current technologies in the fields of tube production, tube processing and tube machining. Over 4,500 trade visitors gathered information on the comprehensive range of products and services offered by the international exhibitors during the three days of the trade fairs.

Industry giants such as Eges, Heinrich-Wagner Sinto and Inductotherm came to Moscow to meet their customers and establish new business contacts, thus making a clear commitment to the trade fairs in Russia.

The two metal trade fairs will be organized by Metal Expo/Russia, Messe Düsseldorf GmbH and its Russian subsidiary Messe Düsseldorf Moscow. The BMWi (German Federal Ministry for Economic Affairs and Energy and the international associations CEMAFON (The European Foundry Equipment Suppliers Association) and CECOF (The European Committee of Industrial Furnace and Heating Equipment Associations) are also involved.

The Messe Düsseldorf Group

The Messe Düsseldorf Group generated a turnover of EUR 136.8 million in the COVID year. At the seven events in Düsseldorf 5,422 exhibitors presented their products to 534,367 trade visitors. Messe Düsseldorf has developed a ground-breaking hygiene and infection protection concept, which was successfully employed at CARAVAN SALON, the first major German trade fair held since spring 2020. Düsseldorf Exhibition Centre hosts around 40 trade fairs in five sectors of expertise: "Machinery, Plants & Equipment", "Retail, Crafts & Services", "Medicine & Health", "Lifestyle & Beauty" as well as "Leisure", including 20 international No. 1 trade fairs as well as, currently, 15 robust partner and guest events. In addition, there are more than 1,000 congresses, corporate events, conferences and meetings organised by the subsidiary Düsseldorf Congress. Furthermore, the Messe Düsseldorf Group organises 75 of its own, joint and contracted events in other countries and is one of the leading export platforms in the world. The Group runs a global network of 77 international offices for 141 countries, including 7 international subsidiaries.
